FAQ

HOW FAR IN ADVANCE SHOULD I CONTACT YOU FOR COMPLETE WEDDING PLANNING?

- The sooner, the better! Ideally, between 12 and 24 months before your wedding date. However, shorter notice can be accommodated depending on vendor availability (some vendors are booked up to 2 years in advance).

CAN I CHOOSE MY OWN VENDORS?

- Of course! My role is to assist you in planning your wedding, and if you already have vendors in mind, I'll integrate them into the planning. I select the best vendors for you, but you always have the final say.

IS DECORATION INCLUDED IN THE PRICE?

- The design and setup service is included. However, rented or purchased materials and items are not included. I select and coordinate with the vendors providing the décor (furniture, flowers, stationery, etc.), according to your budget and preferences.
